

October 24, 2008

The Carrying the Message Ad-Hoc Committee meets on the 2nd Wednesday of the month at 6:30 pm, 50 Court St. Cromwell.

We met on October 10, 2008. Two addicts were in attendance. Carlos R. worked on accessibility options for the schedule. Gary worked on the next schedule printing. We have been in contact throughout the month.

We discussed the next steps for the Ad-Hoc committee. We will need Regional to appoint a NAWS web contact and we need to get support verifying meeting information. I created flyers for the Ad-Hoc committee and for meeting scouts. The Ad-Hoc committee approved the flyers and I made copies to distribute at Regional. Carlos has been appointed web contact for Greater Hartford Area, but we will need someone to be appointed on the Regional level in order to have access to all of the meeting information for Connecticut. Carlos suggested that the webservant be nominated. I'm willing to be the web contact temporarily or indefinitely (depending on what technical knowledge is needed and if we have someone else who is interested in the position.) I would like to get the process started and find out some more of the technical details. My goal is to get things in motion and hopefully in the future get more people involved! We will continue to discuss how to get more support for the schedule committee and the website. We will talk more about the possibility of creating a service position "website/schedule coordinator" at the next Ad-Hoc meeting.

In Loving Service,
Julie S.
Ad-Hoc Chair
